

Illinois colleges and universities are diverse institutions of research, athletics and higher learning as well as centers for cultural exchange. With this in mind, it is an honor to recognize Illinois colleges and universities — their students, faculty, staff and alumni — by offering Illinois motorists Collegiate License Plates for their vehicles.

Southern Illinois University is one of the many colleges and universities participating in the Collegiate Plate Program. By purchasing a set of these plates, you will be helping support scholarships for students at the university while displaying your pride for your favorite school or alma mater. Vanity and personalized Southern Illinois University plates are now available so that you may individualize your plates.

I encourage you to become a partner in higher education by supporting this unique source of financial aid for Illinois college students. I look forward to serving you.
